

Shopping Directions During Covid-19 Pandemic

In order to ensure the safety of our customers and staff, we have developed the following necessary guidelines/policies and procedures.

We will be open Wednesday through Saturday from 1-4 p.m only.

Only 5 shoppers are allowed in the store at one time. No children under 10.

Masks (face coverings) are required at all times

Please do not come if you feel like you are getting sick or have any Covid-19 symptoms including cough, fever, chills, muscle pain, difficulty breathing, sore throat and/or new loss of taste or smell. Current CDC Symptoms and guidelines will be posted on the door.

Please use hand sanitizer when entering the shop and frequently as you are moving about the shop.

Although our space is limited, social distancing of 6 ft. is still encouraged to the best of your availability.

No Cash or checks will be accepted at this time. You will be asked to check out on our website with a credit card using our Ipad or your phone. Help will be available.

Sorry, but there is no access to the restroom.

Volunteers and staff will wipe down surfaces frequently, between transactions and at the beginning and end of day. Cleaning surfaces include counter, door handles, Ipad and stand, etc. Thorough cleaning is done nightly on Mondays after receipt of new merchandise and Fridays.

Of course, if you cannot meet these requirements or are more comfortable shopping from home, our inventory is now 100% online and you can make your purchase through our website. Arrangements can be made for curbside preview or pickup.
